**For Knorr head ZB4275**

KSK 98.041 Head Kit - W/c Thick V/p Zb4275

OM402 usually has "thin" valve plate

OM 407 usually has "thick" valve plate (or "Mercedes" head - see below)

Or use WSK 98.030 - Universal Head Kit (does "thin" & thick" valve plates)

Complete heads can be interchanged if not sure - but not valve plates on their own

**For Mercedes 407 head - older style with 1 inlet & 1 delivery valve :**
